“WILL” YOU HELP?

Make a lasting difference

For more than 125 years, Family & Children’s Service has been there for families—listening, guiding, healing and connecting them to each other and the community.

Through a tuberculosis epidemic at the turn of the 20th century, the Great Depression, two World Wars, September 11th and all the pressures of today’s world, our dream remains the same...that every child will grow up in a loving family supported by a caring community.

Join the generations

In 1913, a generous and far-sighted donor, Joshua Hartwell Davis, included in his will a trust for Family & Children’s Service.

To this day, the Davis Charitable Trust benefits our community’s most vulnerable families and children.

The Family Legacy

Today, donors can include Family & Children’s Service in their wills and become members of The Family Legacy—to ensure that tomorrow’s families receive a helping hand when they need it most.

**We help families
raise happy,
healthy kids.**

Why a bequest?

A bequest allows you to make a meaningful contribution while maintaining control of your assets during your lifetime. It may allow you to make a larger gift than is possible right now. The size of your taxable estate is reduced with a charitable bequest, which may lead to a reduction in your estate taxes. Most importantly, you will know that tomorrow’s families and children can rely on Family & Children’s Service to be there for them.

“Will” you help?

If you have included Family & Children’s Service in your will, we hope that you will share this information with us so that:

- Your wishes will be carried out;
- We can thank you during your lifetime;
- Your bequest will inspire others;
- We can recognize your generosity, if you wish.
